

A MESSAGE FROM THE
GALA CHAIRS

Thank you so much for supporting Santa Maria Hostel. For over 50 years Santa Maria has served a critical need in the Houston community by providing a safe place for women to recover from addiction, serving over 2000 women and children in the last year alone. The organization is unique and a leader in the State in helping mothers with their children in residential treatment break the cycle of drug and alcohol abuse, keep their families together through treatment and into recovery, and change their lives forever. Santa Maria offers a continuum of care from treatment to transitional housing for supportive, sober living for both mothers and their children, single women seeking reunification with their children, and homeless veterans. This is why your dollars and support of Santa Maria are so critical and appreciated. By attending the 2012 Gala you will have a fun-filled evening of dining, dancing, and entertainment, and ultimately you will help women and children change their lives, impacting your Houston community for this generation and the next. Thank you!
